The Chalfonts Concert Windband is a registered youth organisation founded in 1977.

At present, it has about 80 members who come mostly from the Chalfonts and Gerrards Cross areas, though there are quite a few who travel much further to meet for rehearsal on Mondays at The Chalfonts County Secondary School. Young people are welcome to join the junior section of the Band after they have been learning a woodwind or brass instrument for 6 months to a year. A higher standard (about grade 5) is required for the Concert Band.
